KÄRCHER

THE NEXT GENERATION OF SUPERIOR CLEANING.

These easy-to-use extractors are sturdy, ergonomic and require minimal operator training.

PROFESSIONAL | ADMIRAL™ X & ADMIRAL™ XL CARPET EXTRACTORS

Manufacturer PDF Provided by www.southeasternequipment.net

EFFORTLESS CLEANING AT YOUR FINGERTIPS, CLEAN WITH EASE AND PRECISION IN ANY SPACE!

Admiral™ X & Admiral™ XL carpet extractors, are the ultimate choice for tackling a variety of carpeted areas with ease. These extractors are designed to enhance performance, boost productivity, and reduce costs. With their robust and ergonomic design, they provide a more operator-friendly experience, reducing fatigue and improving overall efficiency. The SmartSpeed™ feature ensures consistent and efficient cleaning every time, with visual feedback on the recommended extraction speed. This helps conserve resources, simplifies operator training, and maintains the quality and appearance of your carpets. Our extractors also offer a low moisture application, reducing dry times for faster turnaround, perfect for Hospitality, Education, Healthcare, and Community spaces. Experience their power and transform your carpet cleaning routine today.

1 Real world practicality

- Clear vac shoe and recovery sight windows provide visual feedback to operator
  18" cleaning path for efficient and thorough cleaning
- Eco! Mode low moisture setting allows flexibility for interim cleaning in lieu of deep extraction, providing faster dry time

2 Easy-to-use

- Tool-free brush and vac shoe removal for easy maintenance
- Convenient fingertip controls for operator comfort

3 Get consistant results with SmartSpeed™ and Easy Dial

- Our patented SmartSpeed™ feature provides the operator visual feedback, ensuring consistent cleaning results
- Operator use and training time are reduced with the Kärcher Easy Dial mode of operation

4 Ergonomics

- Robust adjustable handle accommodates operators of different heights
- Low center of gravity allows superior maneuverability and ergonomic design reduces operator fatigue
