

PRODUCT SPECIFICATION

# Cook's Insulated Tray Washrack

## *features*

Cook's Insulated Tray washrack is engineered to promote optimal space for ideal water flow to clean insulated trays. Made from a special blend of stain resistant copolymer without any metal parts, the rack features 75 degree angle to maximize water spray coverage between trays.

### Cook's Brand

Products designed for the toughest environments

#### STANDARD FEATURES

**DURABLE CONSTRUCTION:** Designed to withstand abuse common in corrections.

**INNOVATIVE DESIGN:** 3 1/8" space between inserts holds up to 4 insulated trays or 8 small flex trays. The 75 degree angle construction holds trays at proper angle for effective cleaning.

**WARRANTY:** Backed up by a one year warranty against manufacturing defects.
