

Innovation Means A More Durable Heater

Diesel indirect Fired Portable Heaters featuring embedded burner with combustion air obtained from the main ventilation fan. The Firestorm 400 heater features a heat exchanger that contains the flame and expels fumes throughout a chimney connected to the outside. Indirect fired heaters can be operated indoors and can also be ducted.

Four Pass Heat Exchanger Technology: The new four pass heat exchanger technology allows exhaust gases to increase heat exchange with the cooling air and obtain maximum thermal efficiency. Our heaters are the most efficient in the industry.

FEATURES:

- ›CSA Approved
- ›Low Noise Level
- ›Clean Combustion with 99.9% Efficiency
- ›Ideal Applications: Agriculture, Construction, Pest Control, and Water Damage Restoration

Since 2006, Veloci Performance Products has been a trusted name for high pressure cleaning equipment and both infrared and forced-air heaters to move work forward. Based in Minnesota, we know all about the cold. Our portable heater line will keep you and your team warm while working in cold environments.

From the construction site to the heartland, our lineup of radiant forced-air heaters and accessories delivers the heat you need to drive the results you demand. Rely on Veloci for the safest, most effective and most efficient solution to your specific need.

Veloci has dealers positioned throughout the world who can recommend the best products to meet your specific needs.

KITS	Part Number
Blaze 200 & 300 Fuel Level Gauge	48.7105
Fuel Tank Filter	48.7106
Blaze 100 12" One Way Duct Adapter	48.7109
Blaze 200 14" One Way Duct Adapter	48.7110
Blaze 300 16" One Way Duct Adapter	48.7111
Blaze 200 12" Two Way Duct Adapter	48.7112
Blaze 300 12" Two Way Duct Adapter	48.7113
