SKIN TYPE

An ideal intensive treatment for all skin types especially devitalized, aging skin

PURPOSE

This concentrated firming complex supplements the skin-rebuilding ability with DMAE, Alpha-Lipoic Acid, Co-Enzyme Q-10® and vitamin C Ester as well as other essential antioxidants and botanicals to firm, tighten and lift the skin of the face and neck. DMAE and Alpha-Lipoic Acid gently nourish the outer skin cell membranes to speed the repair process while Co-Enzyme Q-10® stimulates new skin cell growth from the inside out. Moisture Trap®, our new exclusive ingredient blend helps skin to hold moisture levels for up to 24 hours while nourishing the skin's deep layer - which restores youthful elasticity and glow.

BENEFITS

Derived from soy; firms, tones and retains skin's elasticity and improves cutaneous tensile strength

Derived from citrus fruits; formed from ascorbic acid and palmitic acid creating a fat-soluble form of Vitamin C allowing the cellular uptake of Vitamin C within dermal layers, supporting collagen synthesis
