

## WARRANTY

Taprite warrants its products to be free from defects in material and workmanship for a period of one (1) year from the date of purchase (original invoice date). The period of warranty on sealed refrigeration systems and two-piece carbonator probes is five (5) years from the date of purchase.

During this period, Taprite will, at its option, provide replacement or credit, solely to the buyer of record, for any product found to be defective. The buyer of record must notify Taprite within 10 days of any defect discovery within the warranty period, and any such materials must be returned in accordance with the Taprite Return Materials Authorization Policy. The product must have been installed properly, by a qualified technician, and utilized in or on equipment compatible with said product. The policy does not include service to diagnose any claimed malfunction at any location other than Taprite headquarters, labor to remove or install the product, or reimbursement for unauthorized repairs.

Specific exclusions to warranty coverage include, but are not limited to, damage caused by transportation, items subject to abuse, accident, alteration, misuse, neglect, improper repair or reassembly including remanufacturing, unauthorized repair, improper cleaning, or failure to follow installation, operating, or maintenance instructions. This warranty does not cover items subject to normal wear and tear (gaskets, seals, O-rings, etc.). Taprite reserves the right to make the final determination as to what constitutes normal wear and tear when necessary to decide warranty status. Taprite's determination of defects is final. Coverage may be considered null and void if serial number information is removed or altered.

Taprite liabilities are limited solely and exclusively to replacement or credit of the original purchase price of the product. The purchaser assumes all responsibility for any loss, damage, or injury to persons or property arising out of, connected with, or resulting from the use or inability to use Taprite products, either alone or in combination with other products or components. In no event will Taprite be responsible for incidental, consequential, or punitive damages of any kind, including loss of sales or profits.

THIS WARRANTY IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WHETHER OR NOT THE PURPOSE HAS BEEN DISCLOSED TO TAPRITE AND WHETHER OR NOT TAPRITE'S PRODUCTS ARE SPECIFICALLY DESIGNED OR MANUFACTURED FOR THE PURCHASER'S USE OR PURPOSE.
