Max Ride Sweeper Vac | Rider Sweeper / Vacuum

THE FIRST CLOG-FREE VACUUM

The Max Ride Sweeper Vacuum is the first rider combination sweeper/vacuum (Patent Pending). Built on an extremely durable e-coated steel frame with a large vacuum chamber and integrated bag chamber. This patent pending design delivers un-matched debris and dust pick-up. By sweeping first and vacuuming second we have come up with the first clog-free vacuum in the industry. The Max Ride Sweeper Vacuum maximizes productivity at an exceptional value.
