2-ounce perforated round Spoodle® utensil with black Grip 'N Serv® handle

By combining the design elements of a spoon and a ladle, the perforated round Spoodle utensil by Vollrath offers improved serving convenience, accuracy and portion control. Made of durable stainless steel, this utensil will last for years and is easy to clean. The perforated scoop is ideal for straining liquids from food for attractive servings. The plastic Grip 'N Serv handle features a thumb notch for a comfortable grip, a stopper to prevent the Spoodle utensil from sliding into the pot, and all-natural antimicrobial properties that guard against harmful bacteria. Heat-resistant up to 230°F, this handle ensures user comfort while serving a wide variety of items.
