7-inch deep Traex® Color-Mate™ white food storage drain box set

Thawing and draining frozen food is an easy task with the Traex Color-Mate drain box set by Vollrath. The 5-inch-deep perforated drain box, the accompanying holding box and the snap-on lid all feature strong construction, promising years of service. The 2 ½-inch lid height increases capacity by 46 percent, and the snap-on design firmly attaches to boxes. Built-in handles ensure convenient lifting and transporting, and all items in this set are dishwasher- and freezer-safe. Thanks to the white color, this drain box set is easily identifiable and fits into your HACCP color-coded program perfectly.
