KÄRCHER

LIGHT BUT MIGHTY.

This battery-powered backpack vacuum is ultra lightweight, mobile and affordable.

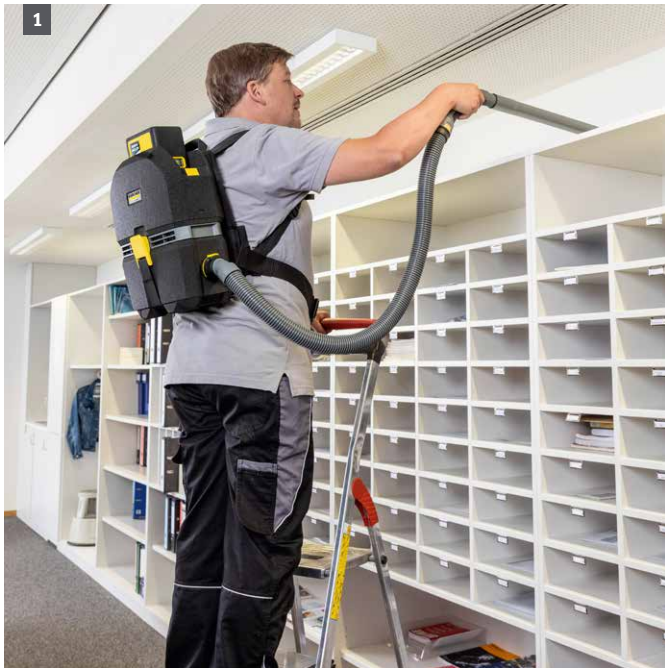

PROFESSIONAL | BVL 3/1 BP BACKPACK VACUUM

Manufacturer PDF Provided by www.southeasternequipment.net

ULTRA-LIGHTWEIGHT, ULTRA-POWERFUL, THIS SMALL VAC MAKES IT EASY TO CLEAN IN TIGHT SPACES.

Ultra-lightweight, powerful and battery-powered, the BVL 3/1 Bp backpack vacuum weighs in at just 11.4 pounds equipped with the standard battery. The BVL 3/1 Bp is particularly durable despite it's minimal weight due to the innovative EPP material. The powerful backpack vacuum cleaner with 0.8-gallon container volume is the perfect solution for cleaning in tight spaces. The Kärcher Battery Power+ platform ensures long running times, while the ergonomic frame makes the task more comfortable. Access the control panel on the waist strap for performing all important operating functions. The BVL 3/1 Bp is extremely user-friendly and can be operated effortlessly. This backpack vacuum is ideal for the price conscious user who wants the freedom to maneuver from room to room for moderate cleaning. The brushless EC motor is also extremely resistant to wear and tear. Whether for use in schools, retail, hospitality or even in households, the BVL 3/1 Bp takes the load off of spot cleaning around objects and makes cleaning stairs a breeze.

1 Ultra-light cordless backpack vacuum

- Developed with innovative EPP (expanded polypropylene) material
- Fatigue-free cleaning with a carrying weight on the back of only 11.4 lbs including the battery.

2 Runs on the Kärcher Battery Platform

- Incredible mobility, ease of swapping batteries for nearly continuous run time
- The battery can be used on other Kärcher battery-powered equipment for ultimate efficiency

3 Energy Saving operation

- eco!efficiency mode allows for prolonged runtime of the battery
- Excellent for quiet, daytime cleaning

4 Vacuum ergonomically

- The deuter® carrying frame is extremely comfortable even when using for longer periods of work
- Control panel on the waist strap enables easy control of all functions
- The suction hose can be connected differently for right-handed and left-handed users
